Some notes about gatherings:

-I'm not staff, just someone who felt that he wasn't finding all the gatherings previous years (especially since it seems more are turning to Facebook and Tumblr instead of the AX and cosplay.com forums to advertise) and wanted a better way of listing where all the gatherings are.

-There's never a guarantee anyone will show up at a given gathering. Despite what people say online, there is no obligation on anyone's part to actually show up. I've seen several gatherings where the host(s) didn't even show up.

-The people who read/follow these lists represent a tiny fraction of all the attendees (there were 60,000+ unique attendees last

year and only 54 replies to this thread). So actual attendance at a gathering *may be higher* than what the activity in the above links suggest.

-Some gatherings only used a description of the location (inside South Hall, West Hall stairs, etc...) so I tried to standardize the locations. Check the above links for more detailed information.

-If you end up becoming a large crowd, you might want to move the gathering to a less used location like Site 9 (which no one planned a gathering at as far as I know). I already got emails from the Masquerade Department about some gatherings that could be an access control issue (those gatherings are actually not on this list...one was cancelled, and the other is a flash mob, and who actually advertises a flash mob?...Plus there hasn't been any activity on that topic since April).

-Remember that there are actual sets in the Entertainment Hall inside West Hall, so if your gathering is mobile enough, you might wanna try that out for a change of pace.

-I make the assumption that a gathering will take an hour, no matter the size. Only the Katekyo Hitman Reborn! gathering explicitly states a two hour window.

-Remember that not all cosplayers (even the gathering hosts) may be familiar with all aspects of a series. Some may only be familiar with the manga and not the anime, for example. Don't assume that because someone is dressed as a certain character that he or she is an expert.

I hope this list and the PDF will be helpful in planning your AX weekend.

Part of me wants to try to organize a Star Trek/Star Wars gathering. There certainly are enough of us. ;)

Hello! I would like to reserve the Nintendo/Smash Bros. Gathering 2014 for Day 2 at 3:00 PM in the South Hall Lobby. This year gathering was kind of unsuccessful since the host didn't show up, so I was wondering if I can be the host of this gathering.

Hope that helps!

I suspect many gatherings lost the host because the host didn't check out the location of the gathering beforehand...I'm hoping to do a gathering host meetup on day 0 so everyone is on the same page when it comes to location.

Hey guys! Mouse here. I was staff at AX 2013 and was in charge of the gatherings. Though I'm not staff for 2014, I wanted to step in an help out with the confusion that might come from having two gathering list.

If you recall from Anime Expo 2013, I used google docs to organized everyone because it's an easy way to share things, and easy to keep up to date. Plus no downloading or anything required. As of right now, I only have the documents up, no spreadsheets, but I think that the docs will be enough for right now. As a note, [Resident-chick \(https://web.archive.org](https://web.archive.org)

<http://web/20140715044511/http://www.cosplay.com/member/272611/> from cosplay.com is the only one (other than myself) that can update the list. This is to prevent anyone from just changing anything randomly.

Day 1 (https://web.archive.org/web/20140715044511/https://docs.google.com/document/d/1Q7VSnS6s95G_UuZVV2o3TrWDCGOetkWXIjVt1GW1inc/edit?usp=sharing)

Day 2 (<https://web.archive.org/web/20140715044511/https://docs.google.com/document/d/1ncIskhxDpMg2-douljK0j4z0IIrccEUSyyGBTJeW7VU/edit?usp=sharing>)

Day 3 (https://web.archive.org/web/20140715044511/https://docs.google.com/document/d/18N8tp6DAPDGbi_ZqXuNDeT1aq0CZzXeQQ3buCSTmKOU/edit?usp=sharing)

Day 4 (<https://web.archive.org/web/20140715044511/https://docs.google.com/document/d/1XidPbx7JTUUUIWptFKg-kSPR6Rgc7NQVNrR5YYup7yU/edit?usp=sharing>)

Hoping this will help clear up any confusion that will come from having the same subject in two places. We wanna get ALL the gatherings, after all, and keep everyone informed. And please note, I am not in charge of anything, just a helpful hand.

As it stands now, I'm just copying what's on Resident-chick's list and adding links to other gatherings that are still in the planning phases as some people don't have accounts on both the AX forums and the cosplay.com forums.

I've been busy with midterms, so I won't be updating until next weekend. I'm aware of the flash mob, but it wouldn't be much of a surprise if everyone knew about it. That's why I never put it in my list.

Akaari

I thought the same, but I wouldn't know how else to gather more volunteers. It'd probably be better if i stick to Cosplay's thread and delete this one, eh.

What you can do is message all the other gatherings (especially the ones not getting any traffic) to get in on the flash mob. That would be surprising.
